

Welcome! We take great pride in our wood-fired oven pizza made from the freshest local ingredients and handcrafted by our skilled pizza chefs. Paying close attention to quality and detail, our pizzas are made in an authentic Neapolitan style with a thin crust and artisanal toppings true to the traditional pizza originating in Naples, Italy.

It is our passion for supporting local purveyors, environmental protection and sustainable practices that inspires us to provide an exceptionally different dining experience for our guests. On behalf of Priscilla Lane Rondeau and the entire 900 family, we thank you for choosing to dine at 900 Degrees!
